Squee, Goblin Nabob

At the beginning of your upkeep, you may return this card from your graveyard to your hand.

"Some goblins are expendable. Some are impossible to get rid of. But he's both—at the same time!"

—Starke

1/1

Haunting Echoes

Exile all cards from target player's graveyard other than basic land cards. For each card exiled this way, search that player's library for all cards with the same name as that card and exile them. Then that player shuffles his or her library.

1/1

Shadowmage Infiltrator

Fear (This creature can't be blocked except by artifact creatures and/or black creatures.)

Whenever Shadowmage Infiltrator deals combat damage to a player, you may draw a card.

1/3

Fact or Fiction

Reveal the top five cards of your library. An opponent separates those cards into two piles. Put one pile into your hand and the other into your graveyard.

"Slimefoot, I know I said I wanted to grow our repository of knowledge, but this isn't what I had in mind."

Notes

Population: tracked Magic singles within 80% of their own all-time-high, with an entry price clearing the liquidity floor and ≥ 1 year of history. $\text{sell_score} = P(\text{decline} \geq 33\%) \times P(\text{no meaningful upside})$. Reprint probability comes from the sibling reprint-risk model and is a top driver of declines.

Disclaimer. Probabilities are estimates over a fixed historical regime. Trust the *ranking* more than the raw value. Not financial advice.
